## DIG Awards Programme

März 2022

### DIG General rules

All DIG awards and trophies may be applied for by licensed radio amateurs and SWLs worldwide. Most of the awards are available either **without** endorsement for contacts on all bands and modes (mixed) or **with** endorsement for contacts in CW only ("CW-award") or for contacts on the VHF bands only ("VHF award"). Applicants must be in possession of the QSL cards but need not hand them in. It is sufficient to send a GCR list. Your GCR list (= General Certificate Rule) should be signed by two witnesses in order to certify that the contacts listed are confirmed by QSL cards and all other information stated in the application are correct. Please enclose always a **Self Addressed Label** (further called SAL). No Packet **Radio** and no Echo-Link contacts may be used. The award fees may be sent in cash to the award manager or to our club bank account:

**Diplom Interessen Gruppe, IBAN: DE39 4945 0120 1210 5064 48. BIC: WLAHDE44XXX. Payment via PayPal is possible to [dig-kasse@email.de](mailto:dig-kasse@email.de). Please add 1 € for PayPal fees in this case.**

**Please mention in the assignment your call and the award concerned.**  
NEW: All printed DIG awards are available also as a PDF file sent by e-mail to the applicant. The fees for this service are 2 € or 3 US\$. **Since April 2020 QSO verifications via DCL, LoTW and eQSL are accepted as well.**
