Saturday, 1200 – 1700 UTC, 14125 – 14300, 21151 – 21450, 28320 – 28700 kHz

Sunday, 0700 – 0900 UTC, 3600 – 3650 und 3700 – 3800 kHz  
0900 – 1100 UTC, 7060 – 7100 und 7130 – 7200 kHz

### 1.b Telegraphy (CW)

Second full weekend in april.

Saturday, 1200 – 1700 UTC, 14000 – 14060, 21000 – 21070, 28000 – 28070 kHz

Sunday, 0700 – 0900 UTC, 3510 – 3560 kHz  
0900 – 1100 UTC, 7000 – 7040 kHz

## 2. Participants

All licensed radio amateurs and SWLs are welcome.

## 3. Exchange

Call "CQ DIG", exchange: RS(T) and DIG-Membership number.

Non-members report RS(T) only. Stations may be contacted once on each band.

## 4. Scoring

Phone, Telegraphy and SWLs are scored separately.

Each QSO with DIG member counts 10 points,  
each QSO with non-member counts 1 point.

## 5. Multiplier

A multiplier of one for each DIG member. Each DIG member counts only once regardless of worked bands.

A multiplier of one for each worked country (DXCC and WAE list) on each band.

## 6. Final score

Sum of all QSO points of all bands multiplied by multiplier (sum of countries and worked DIG members).

## 7. Participation of SWL

Each QSO between two DIG members counts 10 points.

Each QSO between DIG member and non DIG member counts 1 point.

Only 10 contacts per DIG member are allowed to be logged.

## 8. Awards

The winner will receive an engraved cup.

The winner of each country from where are more than ten logs submitted will receive a special DIG trophy.

Also the YL with best result of each contest part will receive a special DIG trophy.

All participants have the possibility to download their certificate in PDF format (<https://dig-contest.de>).

## 9. Result

The result of DIG QSO Party will be announced in the DIG Nets, the DIG homepage and at DIG Contest Platform <https://dig-contest.de>

## 10. Log submission

Please submit your log preferred as Cabrillo file to DIG Contest Platform <https://dig-contest.de>

If there are any problems, please contact Henrik Pfeifer, DF1HPK, Jaspersallee 28, 81245 Munich, Germany,

[df1hpk@dark.de](mailto:df1hpk@dark.de), there is a solution for any problem!

## Deadline is May, 31st.

With the submission of the log the participant agrees, that he will be listed with his call sign in the list of final results.
